

# Welcome to Omaha!!

Northern Natural Gas offices are located at 1111 S 103 Street near “One Pacific Place”, which is considered West Omaha.

Omaha should be fairly easy to navigate - 1<sup>st</sup> street runs north-south, starts at the river and numbers increase as they go west. Dodge Street (also Hwy 6) is the main east-west street and serves as the dividing line between streets addressed as “North” or “South”, increments of 100 per block.

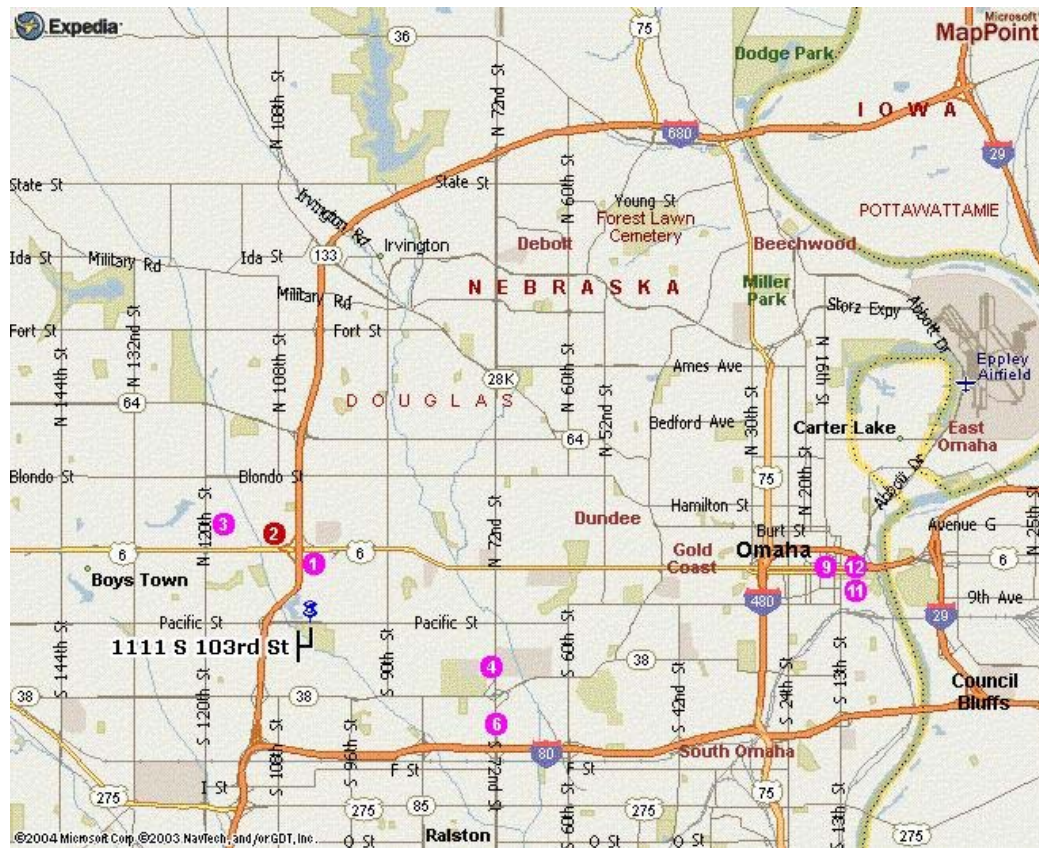

Directions from Eppley Airfield (OMA) are accurate on [www.mapquest.com](http://www.mapquest.com) and [www.mappoint.com](http://www.mappoint.com)

The NNG Building is a rounded glass-front/brick on the corner of 103<sup>rd</sup> and Pacific Streets. Turn south onto 103<sup>rd</sup> Street and take the first left (east). Turn into the first entrance to the parking garage toward 'Office Building' and check in at the 1<sup>st</sup> floor reception desk.
