TO: NAESB-Coordinate Interchange Business Practice Task Force  
NAESB-Standards Review Subcommittee

The NAESB-CIBPTF will be holding a Conference Call on October 21, 2003 to discuss NERC Policy 3. The conference call is necessary to prepare for the Joint Meeting between NERC's IS, CISDT, IT and NAESB's CIBPTF in which a discussion will take place of items in Policy 3 that deal with Reliability, that will require business practices, and that are a combination of both.

Conference Call:  
Tuesday, October 21, 10am – 1pm CPT

- Phone # **1-800-747-1536**
- Participants Passcode: 09637#

When calling in you will hear music until the moderator (me) picks up the line to begin the conference call. I look forward to the call.....
