3. Description of Proposed Standard or Enhancement:

Duke Energy Corporation pipelines (Algonquin Gas Transmission Company, Panhandle Eastern Pipe Line Company, Texas Eastern Transmission Corporation and Trunkline Gas Company) request the addition of the attached data elements to the ***Request for Confirmation (1.4.3)*** and the ***Confirmation Response (1.4.4)***.

4. Use of Proposed Standard or Enhancement (include how the standard will be used, documentation on the description of the proposed standard, any existing documentation of the proposed standard, and required communication protocols):

The addition of these data elements to the EDI transaction set is required so that users of the Duke Energy pipelines' Internet Web site will have access to the same information as users of EDI transactions. The Duke Energy pipelines are in the process of creating their interactive Web site and request that this be processed as expeditiously as possible in order to facilitate electronic commerce via the Internet. These data elements, although requested by the Duke Energy pipelines, could be applicable across the pipeline segment.
