RE: WEQ/WGQ Request for Comments
DATE: January 29, 2008

An industry comment period begins today, January 29, 2008 and ends on February 27, 2008 for a joint WEQ and WGQ recommendation that is posted on the NAESB web site:

2007 WEQ Annual Plan Item 5 and 2007 WGQ Annual Plan Item 8 - Develop business practices as needed to support the e-Tariff program including submittal of tariffs and metadata. (Docket No RM01-5-000)

All interested parties, regardless of membership status within NAESB are eligible to submit comments for consideration. The WEQ and WGQ Executive Committees will review the recommendation and we have tentatively scheduled a joint WEQ and WGQ EC meeting/web cast/conference call for February 29, 2008 from 1:00 to 5:00 pm C in Houston, Texas. The WEQ and WGQ Executive Committees will review the submitted comments and consider the recommendation for vote. We should know in the next few days whether the meeting/web cast/conference call can be scheduled on February 29, as two days is a short time frame for EC members to consider/read the comments before the meeting date. If scheduled, it will be single topic meeting.

All comments received by the NAESB office by end of business on February 27, 2008 will be posted on the Request and Standards Activity Applicable to the WEQ page: http://naesb.org/weq_request.asp and the Request and Standards Activity Applicable to the WGQ page: http://naesb.org/wgq_request.asp and forwarded to the WEQ and WGQ Executive Committee members for their consideration. If you have difficulty downloading the recommendation and attachment, please call the NAESB office at (713) 356-0060.

Best Regards,
Jonathan Booe
